

# Community Conservation Workshop

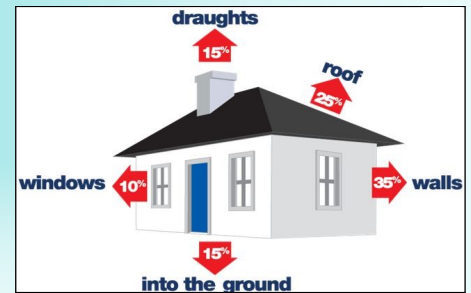

Eco-tips for saving money, energy, and resources!

Thursday, February 28, 2019

Social Hour 6:00-6:30pm  
Presentations 6:30-8:30pm

Waterloo Center for the Arts - Peterson Town Hall Room  
225 Commercial Street, Waterloo, Iowa 50701

**FREE** and open to the public! No registration required!

## Raffle to win a FREE Rain Barrel, Home Energy Kit, or Native Prairie Kit!

Must be present to win.

Learn how to save money while being more energy and resource efficient in and around your home! From your furnace to your yard, there are several ways energy, soil, water, trees, plants, and even food waste can be used more economically.

Topics covered will include home energy audits, proper chemical disposal, soil quality, composting, native prairie, tree management, rain gardens, rain barrels, permeable pavers, renewable energy, LED light conversion, and funding sources for your home projects.

Check out the booths from Black Hawk County Soil and Water Conservation District, Cedar Valley Seed Savers, City of Cedar Falls, City of Waterloo, Good Neighbor Iowa, Green Iowa AmeriCorps, Rainscaping Iowa, UNI Tallgrass Prairie Center, Waste Trac, and more!

**Refreshments will be served.**
