<sup>1</sup> Shaded entries in this column sell native seed. These seed vendors may also provide prairie seeding and management services.

<sup>2</sup> Some county conservation departments and Soil and Water Conservation Districts provide prairie seeding and management services. Contact your local office.

<sup>3</sup> Radius is approximate and depends in part on project size and specifications.

<sup>4</sup> This column is provided to simplify locating service providers in your area. Note: Many contractors work outside the noted region and most seed vendors sell their product statewide.

<sup>5</sup> These seed vendors can provide information about seed origin. Note: Not all seed sold by vendors is Iowa ecotype or source-identified. If you would like that

<sup>6</sup> Rx fire schedules fill fast! Call in advance of the fire season. All providers noted here have extensive burn experience and many have full prescribed fire insurance. Ask for details.

<sup>7</sup> Some local fire departments offer Rx burning within their district for a fee.

*The information on this list is provided as a public service and constitutes no endorsement by the Tallgrass Prairie Center. Please contact the TPC to report omissions, errors or updates.*
