¹ Shaded entries in this column sell native seed. These seed vendors may also provide prairie seeding and management services.

² Some County Conservation departments, Soil and Water Conservation Districts and Pheasants Forever chapters provide prairie seeding and management services. Contact your local office.

³ Radius is approximate and depends in part on project size and specifications.

⁴ This column is provided to simplify locating service providers in your area. Note: Many contractors work outside the noted region.

⁵ These seed vendors can provide information about seed origin. Note: Not all seed sold by vendors is Iowa ecotype or source-identified. If you would like that type of seed, be sure to specify when placing your order.

⁶ Rx fire schedules fill fast! Call in advance of the fire season. All providers noted here have extensive burn experience and many have full prescribed fire insurance. Ask for details.

⁷ Some local fire departments offer Rx burning within their district for a fee.

*The information on this list is provided as a public service and constitutes no endorsement by the Tallgrass Prairie Center. Please contact the TPC to report omissions, errors or updates.
An Excel version of this file is at tallgrassprairiecenter.org/seed-service-providers.*
